CLASS DETAILS	WHERE AND WHEN	CLASS DESCRIPTION
ARTIST - Marc Tickle	LOCATION - Nellie Bly	If a star was a sphere of kaleidoscopic energy, filled with happiness, color, and love to the point of bursting it could be mistaken for the image you will create in Pulsar. This 4-mirror combo of tapered and rectangular reflectors culminates in a cascading crescendo of color erupting from both sides of the sphere. Students will assemble all components and will build their own liquid filled cell using a myriad of torch-worked dichroic and colorful glass pieces. Students are welcome to bring their own objects for the cell as well.
COST - \$410	TIME - 9:00 to 3:30 (+/-)	
FINAL PRODUCT - Pulsar	CLASS LENGTH - 7.5 hours	
DIFFICULTY - No experience necessary	LUNCH - Not Included	
CLASS SIZE - 10 slots, no sharing

CLASS DETAILS	WHERE AND WHEN	CLASS DESCRIPTION
ARTIST - Marc Tickle	LOCATION - Nellie Bly	The Carousel Mandala is a new design featuring a ring of curved kaleidoscopic fractals. Imagine a chorus-line image wrapped into a cylinder. To add a little excitement, and make your scope truly unique, students will paint their own mirror components using alcohol inks to create an immersive psychedelic halo capping your Carousel image in a translucent corona of color. As the Carousel scope is rotated, the glass you painted becomes an integral part of the whole experience. We will produce a liquid filled glass cell with a combo of supplied glass pieces, as well as your own if you'd like.
COST - \$410	TIME - 9:00 to 3:30 (+/-)	
FINAL PRODUCT - Carousel	CLASS LENGTH - 7.5 hours	
DIFFICULTY - No experience necessary	LUNCH - Not Included
